## SUMMARY

Currently pursuing IV ECE with a CGPA of 8.33 at Rajalakshmi Engineering College. I have a prolific record in terms of academics throughout my schooling, scoring 100 percent in Mathematics in the 12th board exams. I have good programming knowledge with hands-on experience in Java & Python, C, C++. I'm a quick learner and I plan my work and activities in advance. I can handle pressurized situations without losing calmness, can work with team members and can get the job done at critical times.

## EDUCATION

**Bethel Matriculation Higher Secondary School, Chennai -600042, Tamil Nadu**

- 12<sup>th</sup> HSC-86% - March 2020
- 10<sup>th</sup> SSLC-93.8%-March 2018
